Board Meeting- October 9, 2018

Sports Update

VB: The VB team competed last night in the 2nd annual Dig Pink night. The girls had a spare change competition between grades, a bake sale, did a mad minute donation collection, and made \$945+ for Crissy Martin. We are very proud of being able to honor her as our goal was \$500! They played against Miami and Ballard in the contest and came away with two more tallies in the win column.

- Current overall record: 4-15-1
- Current conference record: 4-2

From Coach Godsey: "It took a little bit to get going, but once we settled into a groove we played like we know how. I am incredibly proud of how these girls are coming along and I feel like when they communicate, cover each other, and are aggressive, they play very well. I am seeing amazing things from these girls. They continue to amaze me with their continued skill, their heart, and their love for their teammates and the game of volleyball."

VB's next competition will be on Saturday in Ballard at the GVVC Conference tournament. We received the 4 seed and will play against Bronaugh at 10:00.

JHBB: The JHBB teams are competing hard this year. Boys are currently 2-3 with losses to Hume twice and Miami once. Both were very tough games. The girls are currently 1-4 beating Bronaugh and losing by one to Miami. Both teams are competing tonight at Golden City. Their next competition will be on Monday at NEVC and then Tuesday home against Montrose.

FB: The Stockton Tigers picked up their first Varsity win last Friday against Forsyth. They will play again this Friday night at Pleasant Hope (0-7) as they look to add another notch in the "W" column.

****First allowable practice for High School Basketball will be Monday October 29, 2018.**

This is National Fire Safety and Prevention week. Bill Jeffries and the Sheldon Fire Department will be here to discuss fire safety on Friday, October 12.
