WINTER SPORTS UPDATE

HS BASKETBALL: Coach Well reports:

Girls basketball team: (10-12)

Good Evening, Hope everyone is staying healthy during these crazy times. During the last couple weeks it seems like we haven't had much practice time due to snow days or AMI days. Without that practice time I feel like we have continued to improve as a basketball team. They continue to work as a team and we have been playing really good basketball since the break. Wins haven't shown up on our record recently but we have played in so many close games and a couple plays were made we could have more wins under our belt.. We have battled and keep progressing as a team and a family. The girls continue to work hard and hopefully it will continue to show up on the court. We have three regular season games left this year. We have two Seniors this year Madison Garren and Destiny Brokob.

Boys Basketball team: (7-15)

The boys continue to work hard as well. We are playing together as a team but need to play like we were at the beginning of the year. The boys have been struggling since the Christmas break. We continue to work hard and battle against every opponent we face. Practice has been good when we've been in session. We are going to continue to focus on skill work and fine tune our basketball game. Hopefully we get back to playing basketball like we know how to. We have been battle tested and hopefully show passion on the basketball court the rest of the year. We continue to work as a team and be a family towards each other.

We have Senior night this Friday against Hume JV boys starting at 5:30, Tuesday @ NEVC @ 5:30 and Thursday @ Wheaton @ 5:00.

Thanks for the continue support, Coach, Jacob Well
